

IT-Systemtechnician (m/f/d)

- You have completed your technical education and perhaps already gained relevant experience
- You would like to implement exciting projects in a small collegial team
- You are curious about new technologies and are not afraid to try them out
- You look for flexible working hours and a fair salary
- You appreciate a professional work environment
- **Then we have the right position for you.**

Your tasks

- Create installation mechanisms for our Windows applications
- Setup of database replication and synchronization
- Process and Network Monitoring
- Virtualization and deployment of our application in containers
- Basic knowledge in the configuration and management of cloud infrastructure
- Implementation of security measures with firewall and antivirus systems
- Evaluate new ideas and technologies and incorporate them into our products
- Working with agile methods
- Management of the internal infrastructure

Your profile

- A degree in Computer Science, Information Technology or relevant field
- Professional experience is an advantage, you are also welcome as a career starter
- Good knowledge in data structures (OO/relational DB/XML/JSON)
- Deep knowledge in Windows operating systems, IP-networks and domains
- knowledge in Linux

We offer

- Varied area of responsibility with a lot of creative freedom and the possibility to add your own distinctive touch
- Individually tailored development and training opportunities
- A secure job in a stable company
- Flexible working hours
- Excellent connections to public transportation – our employees receive an annual season ticket for Wiener Linien
- Compensation above collective contract: from 3.190 Euros gross per month. We offer a market-compliant overpayment depending on qualification and experience.

About us

Syncore Systems is an Austrian IT- and tech-company since 2001. We are a small agile team with low turnover. We specialize in software solutions for retailers, museums and transport services. Our customers include retail chains in many European countries.

What is important to us

- Solution-oriented thinking
- Ongoing development of our innovative and future-oriented projects
- High flexibility and good cooperation with our customers
- Strong team spirit
- A fair and friendly working environment

We want you to feel comfortable with us and to be able to develop your skills. With your strengths we will be even better together!

Application

Please send us your CV with a photo attached to jobs@syncore.at.

We are looking forward to meeting you!
